

Resume & Cover Letter Set

Price List

Your resume and cover letter are both included in the price for each category below. Categories are based on your work history-- not your goal for your new position. I look forward to getting started for you!

College Graduate \$50

For graduating college students entering their field of study with no more than a part-time job in their work history

Entry-Level/ Intermediate Level Work History \$80

For employees whose work history only involves entry-level to intermediate work that may include responsibilities as a team leader

Mid-Level Work History \$120

For employees whose work history includes at least one position managing one or more departments and responsibility of goal achievement for departments managed

Senior & Executive-Level Work History \$150

For employees with extensive experience in management. Leaders at this level create policies, set organizational goals, and often communicate directly with stakeholders
